### **Napa Tree Rendezvous**

Traditionally, CCNE members who have launched use the Memorial Day Weekend to do a “shakedown” cruise to Napa Tree/Watch Hill, RI. It’s an informal event with no activities planned, but there are plenty of places to eat and shop in Watch Hill, and you never know who might show up! Make sure to fly your burgee if you go.

### **2016 Directory**

All CCNE members should have received their 2016 Directory. Throughout the year, if you have any updates, please make sure to let the secretary know at [ccneinfo@gmail.com](mailto:ccneinfo@gmail.com)
